SHORT BIO

Cyrus the Persian Cat is a calm, compassionate therapy cat and children's cancer advocate. Born in July 2020 as a 6th birthday gift, he now leads his own 501(c)(3) nonprofit, Cyrusmeowgreat, supporting kids with cancer across the country.

THE ORIGIN STORY

Cyrus was born on July 21, 2020—during a time the world needed more comfort, more kindness, and more hope. As a surprise 6th birthday gift for the Executive Director's daughter, Cyrus entered their lives and instantly stole hearts.

What began as an extra-special birthday wish quickly blossomed into a greater purpose.

LONG BIO

Born on July 21, 2020, Cyrus the Persian Cat was a life-changing surprise—a 6th birthday gift: for the Executive Director's daughter that would grow into a national movement.

With his calm demeanor, expressive eyes, and undeniable charm, Cyrus discovered his calling as a therapy cat. Whether he's visiting children, attending community events, or lounging around town in the sunshine at outdoor festivals, Cyrus brings comfort, joy, and a sense of normalcy to kids facing the hardest battles.

Today, Cyrus is the heart and voice behind Cyrusmeowgreat, a 501(c)(3) nonprofit organization (EIN: 33-2415944) dedicated to improving the lives of children with cancer through emotional support, care packages, hospital visits, and unforgettable experiences. From tiny paws to big impact—Cyrus is living proof that love heals.
